

Heifer International

1. What is Heifer International trying to do?
2. Do you agree with their approach?
3. Do you think they've been successful?

fundraising expenses need to be cut than having, 20% of expenses go to fundraising
CEO's income should be reduced ~~by~~ b/c he doesn't need to travel to each different country
he can have specialists or representatives located in each of the benefiting countries to take
away/
reduce
travelling
costs
